# Why Digital Marketing?

# ECDL Foundation

## Mission Context

- > Staying up to date with common workplace skills
- > Addressing organization / national need for formal certification where currently there is informal skills development activity
- > Answering a policy need – e.g. EU’s Grand Coalition for Digital Jobs “e-Skills SMEs for business growth”.

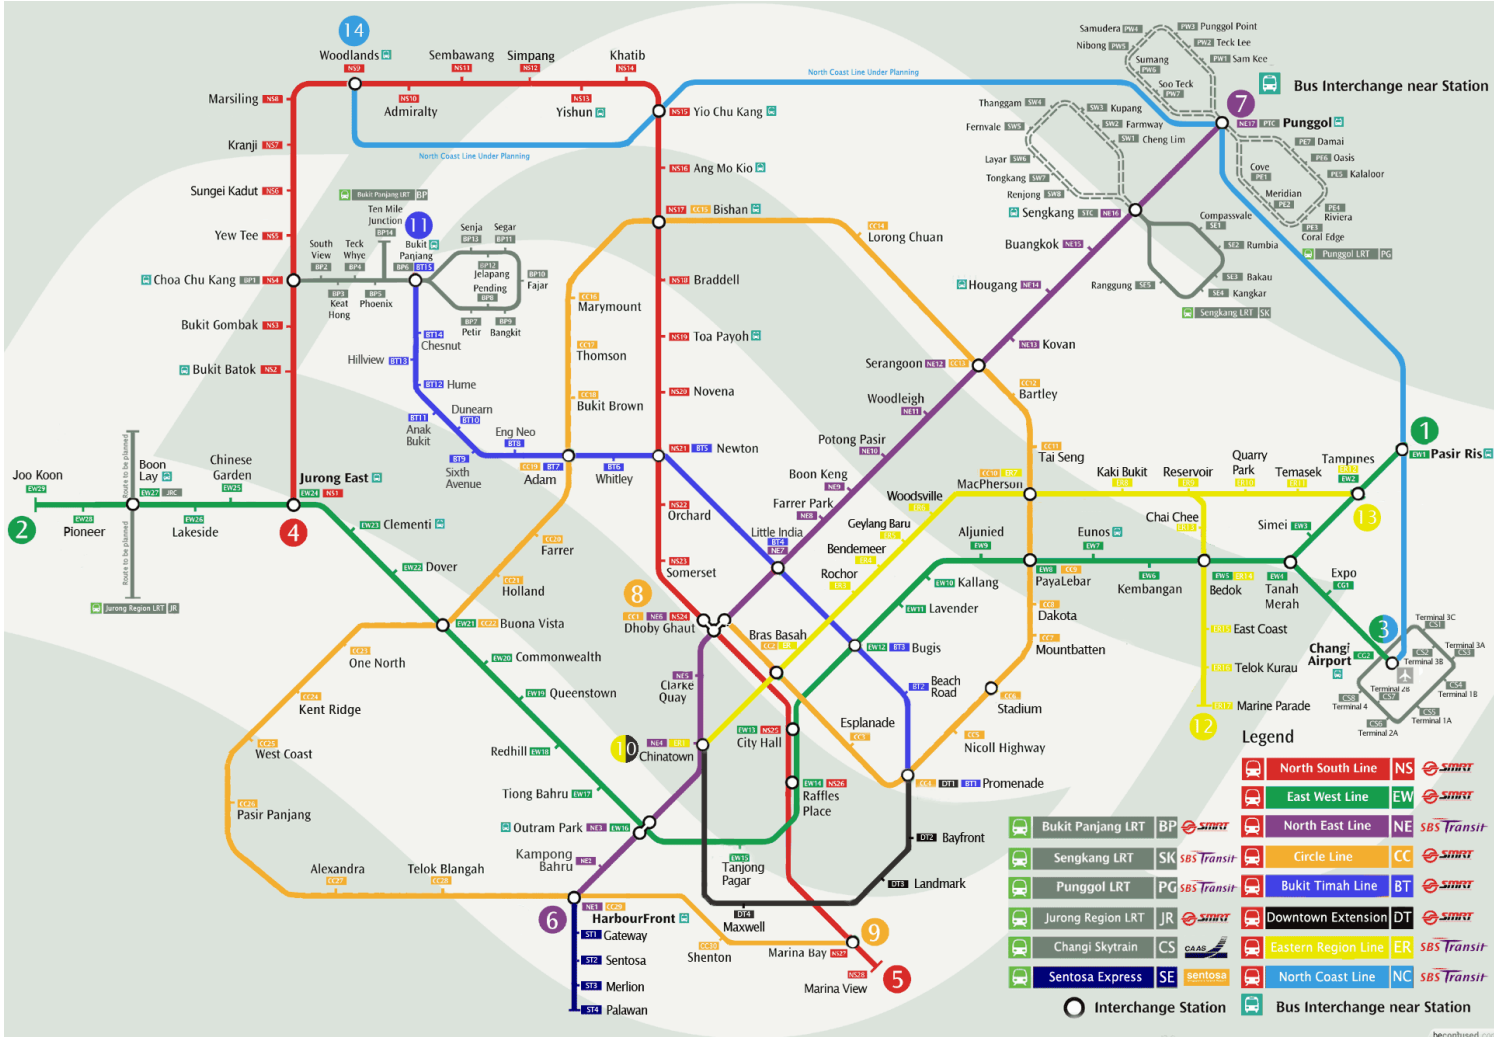

# External Context

- > The average person now spends more time online than with TV and all other media (newspapers, magazines, etc.) *combined*.  
([Branding Bricks](#))
- > Digital marketing spend is forecasted to account for 35% of total budgets in 2016.  
([Business2Community](#))
- > Spending on digital marketing is predicted to grow 12% in the next year, while budgets for traditional (non-Internet) advertising will fall 2%.  
([The CMO Survey](#))

# External Context

- > One-third of marketers say they don't know which digital marketing tactic has the biggest positive impact on revenue.
- > 26% of respondents say email is the digital marketing channel with the greatest positive impact on revenue; SEO is second (17%), followed by paid search (15%), social media (5%), and online display advertising (5%).  
([MarketingProfs](#))

# Digital Marketing - Singapore

# Digital Marketing - Singapore

# Skills landscape context

Three main target groups:

- > SME staff who want to manage an online presence and carry out digital marketing activities
- > Students completing a marketing course seeking practical skills certified independently
- > Marketing professionals who want to upskill to *digital* marketing as CPD

# Module Overview

- > An intermediate level module
- > Mixture of conceptual knowledge underpinning digital marketing activities and related practical skills.
- > Fundamentals of digital marketing
- > Approximately 20 to 30 learning hours
- > Generic syllabus, facilitating learning & assessment on leading digital marketing platforms (e.g. Facebook, Hootsuite, MailChimp, Google Analytics).

# Module Overview

Successful candidates will be able to:

- > Understand key concepts of digital marketing, including advantages, limitations and planning.
- > Understand various web presence options and how to select appropriate keywords for search engine optimisation.
- > Recognise different social media platforms, and set up and use common platforms.
- > Use a social media management service to schedule posts and set up notifications.

# Module Overview

Successful candidates will be able to:

- > Understand how effective social media management assists in promotion and lead generation.
- > Understand various options for online marketing and advertising, including search engine, e-mail and mobile marketing.
- > Understand and use analytics services to monitor and improve campaigns.

# Module Overview
